

England Class

Autumn Term 2017

What we are currently learning:

This term is all about getting to know each other and the school. The children who were here last year are already settling in really well. They are playing nicely with the new children and showing them how we do things. We are becoming familiar with **the school rules.**

1 We will all listen and do as we are asked.

2 We will all show respect to others and to property.

3 We will all work hard and do our best.

The children are exploring the resources available to them, how to use them and how to take care of them. They are enjoying having access to the outside and the painting table has been very popular!

Information about our class:

Please remind your child to take anything in their box home at the end of their session.

Our 'Stay and Read' sessions are held every Wednesday morning from 8:40-9:00. Everyone is welcome to join us for a story!

Please remember to send your child with a waterproof (but not precious) coat as we go out whatever the weather. If you don't want your child's shoes to get messy, please send wellies or outdoor shoes.

Thank you!

Our Phonics focus is:

Scribing – the children will be telling us their stories while we write them down modelling letter formation and phonics.

Our Maths focus is:

Matching shapes as we tidy and counting rhymes.

Our Topic focus is:

...decided by the children. We aim to extend and support their expressed interests. So far we have learnt about bagpipes and kites!
