

Literacy

As we visit the library in small groups, we will be reading longer stories and talking about what happened. The children will get a Library card to take a book home and learn how we look after books.

Maths

In Maths, now we have nearly learnt all the numbers 0-10. We are going to be matching numeral to quantity.

Personal, social and emotional development

As the transition period approaches, we will be visiting Reception in small groups. This is to get used to our new surroundings and new teachers. We will be visiting with a Nursery familiar adult.

Physical development

We will be practising sports races ready for our annual sports day. We will be doing egg and spoon, throwing, relay and balancing a bean bag on our head.

Reminders

- Please send in your £3.50 snack money donation for us to try new things.
- We like to play outside in all weathers, please ensure your child is dressed for the weather. Please apply sun cream in the morning.
- Please remember a bag with a change of clothes and please return any borrowed clothes.

Communication and Language

This half term we will be visiting Halifax Central Library in small groups. We will be listening to the adults to stay safe whilst out of school. We will be following simple instructions as we listen to the rules in a library.

Expressive Arts and Design

Did you know we have a song of the week in Nursery. Here are the songs we will be singing this half term.....

- Zoom zoom
- Finger family
- *We're going to the zoo*
- On my way
- Thank you
- Counting from 1-10

Understanding the world

As we read the book 'Paddington goes to the zoo', we will be looking at different safari animals and their habitats.
