Spring 1 Term 2018

What we are currently learning:

In our English lessons we have a new focus text which is all about facing fears. Using the text, we shall be writing newspaper reports and developing our vocabulary work, including using synonyms and prefixes and suffixes. We shall be revising formal addition and subtraction methods in maths, before looking at money problems and fractions. Our new topic has a history focus, as this half term we shall be learning who the Anglo Saxons were, where they came from and what happened when they arrived in England around 400AD!
