

Japan Class

What we are currently learning:

In Literacy this half term there will be a focus on using paragraphs in our writing, starting with non-chronological reports.

Maths is going to be a challenge this half term as we draw the multiplication and division unit to a close and begin working on tricky fractions.

In Topic we are going to learn about the changes in Britain as we moved from the Stone Age through to the Iron Age, the Romans invasion of Britain and the Anglo-Saxon story and settlements.

In Spanish, the children are focusing on a 'weather' topic in which they will learn various vocabulary and phrases in relation to the weather.

In PE we will continue to encourage social skills and encouraging others whilst learning crucial balance and agility skills.

Our English focus is:

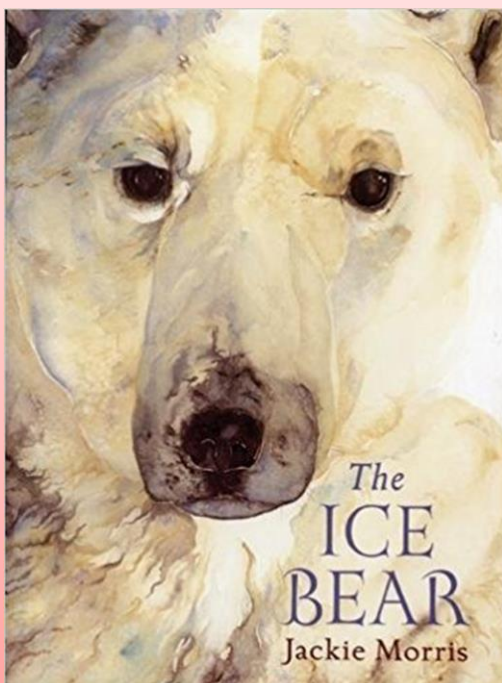

Based on the book 'Ice Bear'
by Jackie Morris.

Our Maths focus is:

Multiplication and Division and
Fractions

Our Topic focus is:

'Prehistoric Britain'
