Brazil Class

Summer 1
April

What we are currently learning:

In our English lessons we will be focusing on animals and if they could talk. Starting off with writing a non-chronological report about tigers using a range of features for SATS. During Maths we are focussing on shapes, measure and statistics. Our new topic is Science looking at living things, animals and humans.

How you can help:

Your child will soon be taking their SATS tests in four weeks therefore any practise you can do with them at home will be a great help!

Children will benefit from reading daily and being asked questions about what they have read.

Children would benefit from any maths related revision at home using educational websites or packs provided from parents evening. Children will bring home maths and spellings homework weekly to be completed by Friday.

Thank you very much for your continued support and any questions please feel free to pop in.

Our English focus is:

If we could talk to the animals focussing on a range of features for SATS.

Our Maths focus is:

Measure, shapes & Statistics. SATS revision covering a range of arithmetic and problem solving.

Our Topic focus is:

Science looking at living things, animals and humans.

Art Lessons

The children have been working very hard revising for SATS and enjoy doing art once a week with Mr bullock to de-stress! Here are a few children with some art they created in Spring 2.

Information about our class:

Homework is now given out on Fridays and due back the following Friday. This will consist of spellings and maths.

Reading records are checked Mondays and Fridays.

Dates:

Monday 16th April 2018 - School re-opens

Monday 7th May 2018 - May Day/Not in

Monday 14th May 2018 - SATS week

Friday 25th May 2018 - School closes

Monday 4th June 2018 - School re-opens
