

### Literacy

This term we will be reading the story 'Lost and Found' about a penguin, we will be learning facts about penguins.

### Maths

This term we will be following a programme called Ten Town. This will support your child to develop a deep understanding of number and how to use number for purpose.

### Personal, social and emotional development

This term we are welcoming some new friends into Antarctica class, we will be acting as good role models and being helpful towards our new friends.

### Physical development

We are continuing to follow the disco dough programme this term. This is supporting the children to strengthen their finger muscles to develop mark making skills and fine motor development.

### Reminders

- We know you would like to discuss your child's fun day at school with us, however for the safety of the children we please ask that if you would like to speak to the teacher please wait until all children have been dismissed. Thank you for your cooperation.
- Please send in your £2 snack money donation for us to try new things.
- Miss Fitzpatrick: Monday, Tuesday and Wednesday AM
- Mrs Mason: Wednesday, Thursday and Friday

### Communication and Language

In Nursery, we take part in small group work called Early Talk boost and Chatterbox. This enhances the children's vocabulary and social skills.

## Parents Information Sheet – Nursery (Spring Term 1)

### Expressive Arts and Design

We will be exploring a wide range for different materials and textures to create objects to represent something else.

We will celebrate:

- Chinese New Year
- Valentine's Day

### Understanding the world

This term we will be having a visit to the local library. The children will have the opportunity to explore a wide range of texts and enjoy a story in the new environment. The children will also be tasting a variety of different foods to help us celebrate Chinese New Year.
