Poland Class

Spring 1
January 2019

English

In Literacy we will be writing based off of the story 'Chickens Can't See in the Dark' by Kristyna Litten.

Maths

In Maths this half term we are consolidating our knowledge of addition and moving on to Subtraction. In Topic we will also be covering some Maths objectives such as measure and pictograms.

Topic

Our Topic learning this half term is called 'The Circle of Life' and will take on a Science focus. We will be learning about life cycles of different animals such as the chicks that we will be hatching in school!

Science

In Science the children will be learning about 'Animals Including Humans' which links perfectly with our learning in Topic. We will learn all about living things and their offspring, how we grow and change, healthy eating habits and hygiene.

This half term we will be having some cute, fluffy visitors in Poland class! We will get to see them hatch from eggs into gorgeous chicks. Miss Clay cannot wait!

Information about our class:

- Homework is given out on Fridays and due back the following Thursday.
- Spellings go out on a Monday (tailored to your child's needs) and will be tested on a Friday.
- To help your child, please try to read with them at home as much as possible. Books must be brought back to school each day so that they can be read in class.
- PE this half term is on a Thursday; we have a dance specialist that will be teaching us!

Dates:

- 28th January - the chicks arrive in school
- 8th February - we say goodbye to the chicks
- 13th February - Poland class assembly, parents welcome to attend
- 15th February - school closes for half term
- 25th February - school reopens
