

Spring 1 Newsletter

USA Class 5

What we are currently learning:

During English, children will be reading 'Aquila'. This book will be linked to their new topic 'To Infinity and Beyond'. They will be writing various reports and recounts about space.

During maths, children will be learning about multiplication and division using the different methods.

During science, children will be focussing on Earth and Space linked to their topic. Year 5 will also be learning RE, PSHE, PE, French and Samba Drumming.

Our English focus is:

★ Based on the text
Aquila.

Our Maths focus is:

Multiplication &
Division ★

Our Science focus is:

Earth & Space ★

How you can help with your child's learning:

- Your child would benefit greatly if they read at home every night and brought their reading book to school every day.
- When your child is reading at home it would be really useful for them if you could ask them questions about the story and what they predict will happen next.
- Help them with their homework.
- Help them practise their weekly spellings and timetables.

Remember to add things to seesaw if you can for us all to see the wonderful things your child is getting up to out of school.

Information about our class:

Please remember homework is handed out on Fridays and due back in on Thursdays. There will be a spelling and timetable test every Friday.

- Tuesday 15th January 2019 & Thursday 24th January 2019 - Taster sessions at Trinity Academy
- Monday 21st January - Year 5 trip to National Science & Media Museum
- Friday 15th February 2019 - Break up
- Monday 25th February 2019 - School re-opens
