Sports Days

What a fantastic week we've had with all of our year group sports days! It has been so lovely to see so many parents and carers attend these events and the feedback from children, staff and parents has been amazing – thank you all for supporting us with these events.

I received a lovely message from a parent earlier in the week to say how great her child's sports day had been:

'Good Morning Mrs Pether. I just wanted to message to thank the Nursery team for putting on such a fabulous sports day yesterday. It was so lovely to not only be able to watch my child's first sports day, but just to be back in school and seeing the hard work that staff put in to events like these. So thank you all so much.'

Receiving feedback from parents really makes it all worthwhile as our staff work so incredibly hard all year but particularly at the busier times of the year like the summer term, to ensure your children have the best experiences.

I would like to thank all the teachers and their teams for working so hard to make their class sports day a success, but in particular a very big thank you to Miss Jagger who organised our sports days this year and set each one up. She was even involved in running several of them. Miss Jagger, you must be exhausted after all the running around you have done this week – thank you!

SATs Results

This week, we received the SAT results for the year 6 pupils. We are so very proud of what the children have achieved this year both as individuals and collectively as a year group.

We will share all of our end of year data with you next week in our end of year parents' success booklet which will come home with your child.

End of Year Reports

Your child will be bringing home their end of year report today. We very much hope you enjoy reading them. If you have any queries or questions about your child's report, please contact your child's class teacher or myself via Seesaw.

SENDCo Appreciation Day

Dean Field's SENDCo Miss Clay was nominated this year for her excellent work and commitment as our new SEND Leader. See below what Miss Bowling said:

Your nominee said the following about you: **"Emma took on the SENDCo role in September after shadowing myself for a period of time. As the year has gone on, she has grown in confidence and is passionate about supporting all children with additional needs. Her commitment and dedication means that children are well catered for and teachers have a clear understanding of what is needed to ensure that these children progress. She survived her first Ofsted inspection as SENDCo where SEND was noted as a real strength of the school and pupils with SEND are supported successfully to develop independence and improve their confidence to be ready for the next stage of their education. Well done on a wonderful start to your SENDCo career! it has been a pleasure working with you and I look forward to what next year brings."**

School Money Debts

Polite reminder to get ahead with paying any school fees on the School Money system. You can log on at any time and pay any fees in advance; we are aiming to have no debts from September onwards. Miss Fudge is now **31%** of the way to the Uganda fundraising target! A huge thank you to pupils and families who has helped so far at Dean Field, including families and staff at Beech Hill School. See what Miss Fudge is doing and why here: <https://www.justgiving.com/crowdfunding/missfudgedeanfieldugandaproject2022>

Project Uganda!

Miss Fudge has successfully secured a teaching fellowship for 4 weeks in Uganda for the summer holidays of 2022. The fellowship is part of the charity organisation called 'Inspiring Teachers' and they work all over the world to gather teaching professionals to volunteer in countries with little education supplies, resources and training. The programme works towards enhancing the education system in countries such as Uganda.

Miss Fudge, along with lots of lovely family, colleagues and friends, has secured enough fund raising money to attend the fellowship and has also contributed her own money towards vaccinations, flights and much more.

Miss Fudge feels more could be done though and is offering the opportunity out to the pupils and families in her school in the UK - Dean Field Community Primary School - to participate in the project too, to further make a fantastic difference to school children in Uganda.

Resources such as colouring crayons, creative books, mirrors, maths sets, science tools and much more are in great need in schools in Uganda and they are often resources that schools in the UK take for granted. Therefore, this Just Giving page allows pupils and their families of Dean Field Community Primary School to donate funds (as little as £1, all goes towards a great cause!) so Miss Fudge can use the amount raised to purchase and share out some much needed school resources to the schools which she will work in across Uganda in July/August 2022. Miss Fudge will be purchasing the resources in Uganda to furthermore support their economy.

Miss Fudge will be taking lots of photos whilst there to share with the pupils and families back at Dean Field in September 2022 so they can appreciate where their contributions have gone and be proud of the amazing impact they will have had!

If you would like to donate, please do using the link below on the Just Giving page and please leave a comment so Miss Fudge can thank you for your much appreciated contribution.

Year 2 Beach Day

On Thursday, the year 2 children had a beach themed day in school. They wore some lovely beach outfits, played in the sand and ate some ice cream, candy floss and rock sweets! In the afternoon, we had a visitor called Will come into class and perform a traditional Punch and Judy puppet show, it was very funny! It was a nice and hot day for it too.

Sports Day 2022

This week, all year groups took part in Sports Day. This year was extra special as parents and carers were allowed to come and watch their child/ren. All year groups showed fantastic sportsmanship and teamwork. All the children completed a variety of track and field sporting activities. We even had some of the adults joining in which was fantastic to see.

The winning house teams for each year group are below, they will receive house points which work towards their house point total for the end of term, well done!

Year 1: **Anne Lister - Red**

Year 2: **Anne Lister - Red**

Year 3: **Charlotte Bronte - Green**

Year 4: **Charlotte Bronte - Green**

Year 5: **Charlotte Bronte - Green**

Year 6: **Anne Lister - Red**

Outdoor Adventurous Activities

This week, year 3, 4 and 5 took part in an outdoor adventurous activity session. Their main focus was on team work and communication. During the first activity, the children had to hide their cone from their team members and communicate where it was without giving too much information away. They also had to find as many items hidden around the playground without leaving their team which meant they had to use skills such as perseverance, resilience and cooperation. All the children had a fantastic time.

Congratulations to Ireland class who had the highest attendance in the school this week. Well done to Australia class for coming second. I am seriously concerned of classes who are below 96%. Meetings with parents of children who are of concern will occur.

If your child is absent from school please contact the school office on 01422 258258 before 9.00am.

It is important we are aware of the reason for your child/children's absence. It becomes a safeguarding concern if parents do not inform school when their child/children are absent. Please contact the school office on the first day of absence before 9am stating reasons for any absence. This will avoid absences being recorded as unauthorised.

If you have any concerns or questions surrounding your child/children's attendance please do not hesitate to contact me.

Many Thanks.
