

Friday 24th June 2022

Dear Parents/Carers,

Please see below the teaching staff and class allocation for next year. We are still in the process of finalising our full staffing structure so cannot confirm teaching assistant and support staff placement as yet.

Pupils will get to meet their new class teachers in their new classrooms on Friday 8th July on our transition morning and those pupils who we feel would benefit from additional transition activities will get the opportunity to do this in the last couple of weeks.

If you have any questions about this, please don't hesitate to contact me on Seesaw.

Mrs Fiona Pether

Safeguarding

Safeguarding is the action that is taken to promote the welfare of children and protect them from harm.

Safeguarding means:

- protecting children from abuse and maltreatment
- preventing harm to children's health or development
- ensuring children grow up with the provision of safe and effective care
- taking action to enable all children and young people to have the best outcomes.

Child protection is part of the safeguarding process. It focuses on protecting individual children identified as suffering or likely to suffer significant harm. This includes child protection procedures which detail how to respond to concerns about a child.

Each and every one of us has a duty to safeguard, protect and promote the welfare of others. **Safeguarding is everyone's business.** If you suspect a child/children may be at risk of harm, call the Multi Agency Screening Team (MAST for short) on **01422 393336**

Or for out of hours call the Emergency Duty Team on **01422 288000**

Pupil Voice

Hi everyone!

My name is Gracie and I'm in year 5.

I hope you all had a great week at school. Did you know that today is not only Gold Book day but it's UFO day! Maybe you can spot a plane in the sky today since UFOs are quite rare to see!

Here is an interesting UFO sighting for you... On July 14th 2001, some drivers on the New Jersey turnpike stopped for 15 minutes after they marveled on the sight of some strange orange and yellow lights that were in a V formation! How weird is that!

Have a lovely weekend!

Gracie

Project Uganda!

Miss Fudge has successfully secured a teaching fellowship for 4 weeks in Uganda for the summer holidays of 2022. The fellowship is part of the charity organisation called 'Inspiring Teachers' and they work all over the world to gather teaching professionals to volunteer in countries with little education supplies, resources and training. The programme works towards enhancing the education system in countries such as Uganda.

Miss Fudge, along with lots of lovely family, colleagues and friends, has secured enough fund raising money to attend the fellowship and has also contributed her own money towards vaccinations, flights and much more.

Miss Fudge feels more could be done though and is offering the opportunity out to the pupils and families in her school in the UK - Dean Field Community Primary School - to participate in the project too, to further make a fantastic difference to school children in Uganda.

Resources such as colouring crayons, creative books, mirrors, maths sets, science tools and much more are in great need in schools in Uganda and they are often resources that schools in the UK take for granted. Therefore, this Just Giving page allows pupils and their families of Dean Field Community Primary School to donate funds (as little as £1, all goes towards a great cause!) so Miss Fudge can use the amount raised to purchase and share out some much needed school resources to the schools which she will work in across Uganda in July/August 2022. Miss Fudge will be purchasing the resources in Uganda to furthermore support their economy.

Miss Fudge will be taking lots of photos whilst there to share with the pupils and families back at Dean Field in September 2022 so they can appreciate where their contributions have gone and be proud of the amazing impact they will have had!

If you would like to donate, please do using the link below on the Just Giving page and please leave a comment so Miss Fudge can thank you for your much appreciated contribution.

Nursery 'Go Yellow for Shine Day'

On Friday 17th June, Nursery celebrated 'Go Yellow for Shine day'. Shine is a charity that provides support for anyone living with spina bifida. Shine enables people to get the best out of life. Nursery went yellow to show our support for our Dean Field superstar, Grayson! If you would like to donate to show your support, please do so on the website <https://www.shinecharity.org.uk>.

Head Lice

Please check your child's hair regularly for head lice due to there being an outbreak in year 3.

To Check:

Check the scalp for insects or eggs.

Use a fine-tooth comb on wet hair then comb through the hair in sections looking for eggs or lice, repeat over a few days.

To Treat:

Wet the hair and scalp with conditioner or use a chemical shampoo/lotion (containing insecticide) – this will kill the lice and eggs. Using a fine metal comb, or special head lice comb you can get from a chemist, go through the hair in sections to comb the lice and eggs out.

Tips:

- Check and treat hair every night.
- Please tie up long hair for school.
- If your child has head lice please check everyone in the family home.
- Do not share hairbrushes, towels, hats, etc.
- Always retreat 7-10 days after the first treatment.

We are excited to announce on Thursday 14th July 3pm onwards we will be running our Summer Fayre!

Healthy Holidays Calderdale

During the school holidays, children and young people who are on free school meals can access free holiday club places through our Healthy Holidays Calderdale programme.

This opportunity is provided as part of the government's Holiday Activities and Food (HAF) programme. The free places are funded by the Department for Education (DfE). [Find out more about the HAF 2022 government guidance.](#)

The scheme provides enjoyable activities and nutritious meals for primary and secondary school-aged children who are eligible for benefits-related free school meals. We are developing inclusive places as part of Healthy Holiday provision.

How can I book my child on the Summer 2022 Programme?

The information and a link to the online booking system will be available here from the middle of June 2022. Like and follow the @HealthyHolidaysCalderdale Facebook page to keep up to date and be notified when places are available for you to book.

Is my child eligible?

If your child is in Reception class to year 11 and are in receipt of benefits-related free school meals, they are eligible to attend the Healthy Holidays Calderdale programme.

Please note: benefits-related free school meals are different to Universal Infant Free School Meals that all children receive from Reception to year 2.

How Are Children with Additional Needs included?

All the programme partners are committed to making their programme accessible for a wide range of children. Providing the programme with good information about your child and their needs will enable them to ensure that your child is fully included and can enjoy the opportunities that are offered.

Congratulations to Kenya class who had the highest attendance in the school this week. Well done to Ireland class for coming second. I am seriously concerned of classes who are below 96%. Meetings with parents of children who are of concern will occur.

If your child is absent from school please contact the school office on 01422 258258 before 9.00am.

It is important we are aware of the reason for your child/children's absence. It becomes a safeguarding concern if parents do not inform school when their child/children are absent. Please contact the school office on the first day of absence before 9am stating reasons for any absence. This will avoid absences being recorded as unauthorised.

If you have any concerns or questions surrounding your child/children's attendance please do not hesitate to contact me.

Many Thanks.
Lorraine Stansfield, Pastoral Manager
