

Dear parents/carers,

As we come to the end of this term, we have many things to look back on and be incredibly proud of. This term has been full of exciting opportunities both through children's learning and extra-curricular events and activities. Pupils definitely need to rest over the Easter break after all their hard work ready for the long summer term ahead.

Parents of children in years 1, 2, 4 and 6 will be well aware that the Phonics Screening Check, year 2 Optional SATs, the Multiplication Tables Check and of course the year 6 end of KS2 SATs will be soon upon us. I would like to take this opportunity to thank parents for the continued work you are doing at home to support the learning taking place in school. Many pupils in these year groups have additional interventions in place at breaktimes, lunchtimes as well as after school and so a big thank you to the staff for providing these!

We will finish the term off in the most amazing way with 'Dean Field's Got Talent'. Academic success is hugely important to us at Dean Field but allowing children to showcase their individual skills and talents is also so important. A big thank you to the staff who have mentored the acts taking part, the judges this year and a big thank you to Miss Lees our Arts Lead who has organised the event so well this year.

I wish all our Dean Field families a restful Easter.

A reminder that we return to school on Tuesday 22<sup>nd</sup> April and our Parents' Evening is on Thursday 24<sup>th</sup> April.

Mrs Pether

We would also like to thank everybody for your generous donations on our Easter raffle.

**We have raised a total of £250!!**

A big thank you to all those who donated the Easter eggs to ourselves being:

## SAFEGUARDING

### Domestic abuse support service

Calderdale Staying Safe is a domestic abuse support service provided by a well-established local charity. We have been providing free and confidential support for many years to people living in Calderdale who are experiencing domestic abuse. We believe that everyone has the right to live a life free from domestic abuse and we are working together with other services across Calderdale to build a safer community for everyone.

We are an inclusive service, working with women, men and young people. We are a very experienced and diverse staff team providing high-quality support. We can support you to be safer; help you to understand how domestic abuse has affected you (and your children) and work with you to manage the impact of the abuse and any trauma it has caused so that you can move forward with your life.

We know that for many people, experiencing domestic abuse is very traumatising and we understand that reading some of the information on our website might be distressing or raise difficult memories. You may need to take your time and take care of yourself if you start feeling like this. Remember we are here to help if you need to talk to someone.

The poster features the Calderdale Staying Safe logo at the top, which consists of the word 'CALDERDALE' in a curved font above five overlapping circles in yellow, orange, pink, blue, and green, with the words 'STAYING SAFE' in white text across the circles. Below the logo, it says 'DOMESTIC ABUSE SUPPORT'. A green-bordered box contains the text 'CALL US ON MON-FRI 9-5' followed by the large green number '01422 323 339'. Below this, the heading 'WHAT HELP IS AVAILABLE?' is followed by a bulleted list of services. At the bottom, the heading 'LANGUAGES OTHER THAN ENGLISH?' is followed by a paragraph about language support.

## ONLINE SAFETY

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit [nationalcollege.com](https://nationalcollege.com).

### What Parents & Educators Need to Know about

# SNAPCHAT

AGE RESTRICTION  
13+

SNAP STREAK  
97  
DAYS

WHAT ARE THE RISKS?

Snapchat is a messaging app which allows users to send images, videos and texts to others. Its best-known feature is that anything sent 'disappears' 24 hours after it's been viewed; however, users are known to take screenshots or use another device to obtain a photo of their screen. In 2023, Snapchat added a chatbot function called 'My AI'.

#### ARTIFICIAL INTELLIGENCE

My AI is Snapchat's new chatbot, which replies to questions in a human-like manner. However, the software is still in its infancy and has significant drawbacks, such as biased, incorrect or misleading responses. There have already been numerous reports of young users turning to AI for medical help and diagnoses, which could be inaccurate and therefore potentially dangerous.

#### SCREEN TIME ADDICTION

Snapchat prioritises user engagement, with features like streaks (messaging the same person every day to build up a high score). The app also has sections called 'Discover' and 'Spotlight', which show tailored content to each user. However, this could also be seen as an attempt to hook users into watching videos endlessly. Furthermore, constant notifications can lure people into using the app.

#### INAPPROPRIATE CONTENT

Some content on Snapchat simply isn't suitable for children. The hashtags used to group content are determined by the poster, so even an innocent search term could still yield age-inappropriate results. The app's 'disappearing messages' feature also makes it easy for young people to share explicit images on impulse – so sexting continues to be a risk associated with Snapchat.

#### ONLINE PRESSURES

Although many of Snapchat's filters are designed to entertain or amuse, the 'beauty' effects on photos can set unrealistic body image expectations – creating feelings of inadequacy in younger users. Snapchat now also has 'priority' notifications (which still get displayed even if a device is in 'do not disturb' mode), increasing the pressure on users to log back in and interact.

#### PREDATORS AND SCAMS

Predators can exploit Snapchat's disappearing messages by, for example, telling a user they have naked photos of them and will post them unless they're paid. Snapchat's own research found that 65% of teenagers had experienced this – on this app or others. This likely isn't helped by 'SnapMaps' – a feature which highlights your exact position in real-time. This is meant to help friends keep track of each other, but could be used for more sinister reasons.

#### MY EYES ONLY

Snapchat has a hidden photo vault called 'My Eyes Only'. Teens can conceal sensitive photos and videos from parents and carers in this folder, which is protected by a PIN. You can check for this by clicking on the icon which looks like two playing cards. This takes you to the 'Memories' folder which stores photos, stories and the My Eyes Only folder.

## Advice for Parents & Educators

#### UTILISE PARENTAL CONTROLS

Snapchat's 'Family Centre' lets you view the details of the child's account – their friends list and who they've spoken to in the last week – and report any concerns. You must invite a child to the Family Centre for them to join. To keep the child's location hidden on the app, go into settings and turn on 'Ghost Mode' and 'Hide Live Location', and ensure they know not to share their location with anyone.

#### FAMILIARISE YOURSELF

Before you allow a child to download Snapchat, download it yourself and familiarise yourself with the app. Snapchat has produced a parents' guide to the app to help you understand how it works and any protections they have in place. A link for this can be found in the sources below.

#### BLOCK AND REPORT

If a stranger does connect with a child on Snapchat and begins to make them feel uncomfortable through bullying, pressure to send explicit images or by sending sexual images to them, the child can tap the three dots on that person's profile and report or block them. There are options to state why they're reporting that user – such as annoying or malicious messages, spam or masquerading as someone else.

#### ENCOURAGE OPEN DISCUSSIONS

Snapchat's risks can be easier to handle if you nurture an open dialogue. For example, discuss My AI's responses to questions and how reliable they are. Talk about scams and blackmail before letting children sign up. If they're lured into a scam, encourage them to tell you immediately. Talk openly and non-judgementally about sexting, emphasising its inherent risks. Furthermore, explain how popular 'challenges' on the platform can have harmful consequences.

## Educational Trips and Visits

Mexico class had a lovely time this week on their trip to Shroggs park. We were looking for signs of Spring and the children saw lots of lovely new Daffodils growing and had some great discussion around living things. The children were all so well behaved we even had a little treat of playing on the park.

## Beat the Streets

Beat the street has officially ended. The leaderboard is getting verified for final scores, Winners will be announced very soon.

A huge thank you to all our pupils, families and staff for their enthusiastic engagement. We have collected many points. Its been amazing to hear the children share their journeys to staff members when trying to find the beat boxes.

## Educational Trips

Some of our pupils took part in a 6 week Youth Intervention SHOUT programme run by Illingworth Fire Fighters and Youth Intervention Team, where the focus was on developing practical firefighting skills. The programme is aimed at developing confidence, resilience, teamwork, understanding of the dangers of Anti-Social behaviours and an understanding of the world and the local community where they live.

We are looking forward to another course which is in the pipeline that the Youth Intervention team have put Dean Field forward for.

### This Weeks Attendance

Congratulations to China class who had the highest attendance in the school this week. Well done to Mexico class for coming second. I am seriously concerned of classes who are below 96%. Meetings with parents of children who are of concern will occur.

If your child is absent from school please contact the school office on 01422 258258 before 9.00am.

It is important we are aware of the reason for your child/children's absence. It becomes a safeguarding concern if parents do not inform school when their child/children are absent. Please contact the school office on the first day of absence before 9am stating reasons for any absence. This will avoid absences being recorded as unauthorised.

If you have any concerns or questions surrounding your child/children's attendance please do not hesitate to contact me.

Many thanks,
