

It's great to have you all back in school but there have been a few changes to keep us all safe so please pay attention while your teacher talks about...

Important changes to our school rules

To keep us all safe, respectful and ready to learn

Try your best to stay apart from others

- You have probably heard of ‘social distancing’.
Try your best to stay 2m away from other people in your class - even the teacher !
- Think of it as a protective force-field you have around you, like you are a super hero !

Stay inside your class 'bubble' all day

It is important that
we do not mix
with children or adults
from the other classes
at the moment

Especially at break and lunchtime

It is very hard,
but when we go
outside, please
try to keep your
distance even if
you are playing a
game.

Tell an adult if you feel unwell

If you have been sick or feel sick, or if you think you have a temperature, tell an adult quickly.

Come to school and leave only using the gates you have been shown and follow the 1-way system

This
way
in

This
way
out

Catch it, kill it, bin it !

If you cough or sneeze try and do it into a tissue, and then put the tissue into the nearest bin

Wash your hands regularly

Wash your hands for with soap and water for 20 seconds and then dry them properly (remembering to put your used towel in the bin) or use hand sanitizer every time you enter the room, especially after you have been to the toilet or before you are about to eat.

Follow the normal school rules well !

- Be: SAFE, RESPECTFUL AND READY TO LEARN
- All the usual school rules apply. You can still earn house points, so make sure the adult in your room catches you doing the right thing !

Let's do this together !

Dean Field
Community Primary School

If we can all follow these extra rules to keep us safe for the next few weeks, then hopefully we can come back to school in September and things will be a bit more like normal.

Let's do this together !
