

Spring Term 1 - Y2 Maths - Time

Previously Learned Vocabulary

Hour hand (y!)	Quicker (y!)
Minute hand (y!)	Slower (y!)
half past (y!)	Early (y!)
o'clock (y!)	Late (y!)
second (y!)	Morning (y!)
Yesterday (y!)	Afternoon (y!)
Today (y!)	Evening (y!)

New Vocabulary

Analogue	Five past/to
Quarter past	Clockwise
Quarter to	Anticlockwise

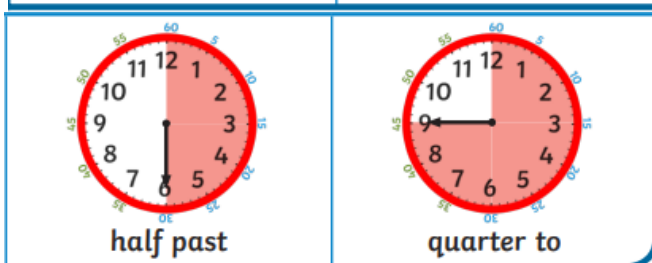

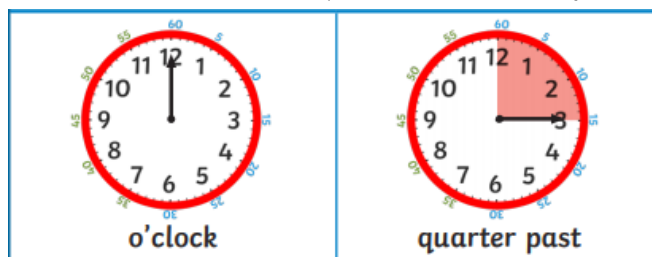

Hour Hand
The short hand points to the hour. If this hand is pointing between hours, it is the earlier hour of the two.

Minute Hand
The long hand points to the minutes past or to the hour.

Minute hand positions for...

There are **60 minutes** in an hour.

Compare Durations of Time

A swimming lesson	30 minutes	A visit to the cinema	2 hours
The time it takes to do 1 star jump	1 second	A favourite TV programme	20 minutes
A nice long walk	3 hours	A week at school	5 days

Compare the time using the vocabulary 'longer' and 'shorter'.

Telling time to 5 minutes
