

Admission Information for our School Nursery

Give your child the best start at Dean Field Nursery, a caring, fun and nurturing environment!

Our Nursery provision is available for children aged 3 and 4 years old.

We have facilities for children who have turned 3 and for those children who are 4 years old, in the run up to transitioning to Reception at school. We strongly encourage attending our nursery, if you plan to send your children to our school. This is to maximise the transitioning support for your child and by attending our Nursery gives priority for a Reception school place.

When to apply?

You can put your name down when your child turns 2 years old.

Children can start our Nursery setting the term after their 3rd birthday.

- Turns 3 between 1 September – 31 December – Start January
- Turns 3 between 1 January – 31 March – Start April
- Turns 3 between 1 April – 31 August – Start September

Did you know?

Your child could be entitled to Nursery place before then! Children can start after their 3rd Birthday if a parent is in receipt of either working parent 30-hour entitlement or 15 hour disadvantaged funding.
